Partnerships and Priorities

- **PPE Taskforce**
 - Contains representation from throughout Department – Components and CPO
 - Maintained relationships and collected information on critical needs and shortages
 - Managed interdepartmental PPE redistribution
 - Supported the implementation of proper safety protocols put out by DHS Real Property relating to PPE storage
- **Vendor Taskforce**
 - Allowed us to keep our finger on the pulse of the market and fostered relationships that allowed for greater purchasing power
- **Development of Ordering Process and PORT system**
 - Worked within CRSO and CPO to stand up a thorough and integrated tracking system used to manage the \$178.3M in CARES Act funding
- **Critical Mask Shortages**
 - Worked with FEMA, 3M and Honeywell at various stages of the pandemic to procure Respirators
 - Worked with HHS/FEMA to obtain cloth face coverings
